Our story so far...

Welcome to **HOSPER**, a pioneer in the world of electrical switches, illuminating homes and businesses across India since our remarkable **50-year of legacy**, we stand proud as a trusted brand under the esteemed parent company, **BHARAT ELECTRICAL INDUSTRIES**.

At **HOSPER**, we take immense pride in our dedication to manufacturing the best quality switches in the country. Our switches are not just tools for lighting; they are a blend of reliability, aesthetics, and cutting-edge technology. We understand the importance of seamlessly integrating functionality and style, and our products reflect this commitment.

Our Leadership:

Mr. Shashank Goel, our Managing Director, and a visionary electrical engineer. He Brings in engineering expertise to ensure quality and consistency. With a strong belief **banayenge wahi jo apne ghar mein laga sake** He leads a team of dedicated electrical engineers who share his passion for excellence.

Our Core Beliefs:

Banayenge Wahi Jo Apne Char Mein Laga Sake : This is not just a belief; its our commitment. Our Company vision drives us to create products that meet the standards of our own homes, ensuring that every switch tells a story of quality and trust.

People Buy a Solution, Not a Product : We emphasizes that our customers are seeking technical solutions, not just products. We focus on understanding and solving the unique challenges our customers face. Our switches are designed to be the champions that light up your world by providing the right durability for your needs.

Why We Are Switches ke Champions ?

Proudly known as Switches Ke Champion, our commitment to quality and innovation sets us apart. We go beyond the ordinary, offering solutions that stand out. Recognized for excellence, our **R&D** team ensures our switches lead in technological advancements. Choose more than just a switch – choose a champion aligned with your needs and values.

We believe in empowering every corner of India with the brilliance of light. Our mission is to make every individual a stakeholder in the brightening journey of the nation. Together, we contribute to a shining and progressive India.

As the undisputed champion in the realm of switches, we champion durability, innovation, and design. We take pride in being the go-to choice for those who seek nothing but the best for their spaces. Our switches are not just products; they are champions that light up your world.

**Aur isliye hum kehlaate hein
Switches ke Champion**

India's 1st

**Double Guarantee
Wala Switch****DEALER****COMPANY**

AB GUARANTEE DEALER SE BHI AUR COMPANY SE TOH HAI HI

HOSPER Laaye Hai India's First Double Guarantee Taaki Humaare Customers Rahe Jyada Tension Free Aur Surakshit, jaha hamare dealers Bhai bhi le rahe hai products ki poori jimmevari aur guarantee unki taraf se bhi."

HOSPER has introduced India's First Double Guarantee to ensure our customers remain highly satisfied and secure. The unique offering extended by our dealers as well, who are taking full responsibility and providing Product guarantee at there end also.

Through its innovative Double Guarantee initiative. This initiative not only instills confidence in customers but also extends the same guarantee to our dealers. Unlike the conventional approach where the customer solely relies on the company, HOSPER ensures that dealers play a crucial role in the ongoing customer support loop. In traditional setups, once dealers make a sale, they are often disconnected from the customer. However, with our Double Guarantee, dealers remain an integral part of the process. This unique approach challenges the norm, as the dealer not only communicates that all guarantees are provided by the company, eliminating any responsibility on their part, but we go a step further. We emphasize our commitment to customer service by providing ongoing support through our dealers. This approach not only underscores our dedication to quality and reliability but also ensures a comprehensive and seamless customer experience from purchase to post-sales service.
